

Thursday, August 7

2:00-4:00pm

Current agenda items:

-Feedback on Remedy changes

-Evaluation of Local URL product

-Request from Beth Fisher for information about MCAG's official policies [new agenda item; more info below]

Here's the email I got from Beth about official policies: "We are compiling a list of official MOBIUS Advisory Committee policies. Official policies will have been approved by the MOBIUS Executive Committee and presented to the MOBIUS Council. Would each of you please send me a list of the official policies for your advisory committee? It would be helpful to have this list by the end of August."

I don't know of any official policies. (Our rotation of chair and minutes is unofficial). But I'd like to check with all of you to see if you remember anything!
