## **Summary of Meeting.**

**Authority control reports** for the Updated, Non-Unique 4xx Reports, and Authority Near Match reports are now considered “not needed” since they are typically work that others have done and we don’t need to really be looking at again. The cluster has approved it and it has been sent to Christopher Gould at Mobius to go active immediately.

**Next meeting** will be onsite at Westminster in June. Members were asked to look at their schedule and see what days they are NOT available in June so we can schedule one or maybe even two meetings to get the RDA specs worked thru. McDAC has a template they have developed for recommendations on how to easily evaluate the questions. Deadline for submission is December 31<sup>st</sup> but it is highly encouraged that Arthur take care of it as soon as possible. With time availability much easier during the Spring/Summer, the evaluation is estimated to be completed before school starts in the Fall.

**William Woods College.** Erlene Dudley will be the temporary Arthur Coordinator for William Woods until Tom Schultz returns to work.

**NetLibrary** was briefly discussed since three libraries have holdings. Jennifer at Mobius is the contact at MOBIUS. The project is in the works which includes looking at OCLC records and coordinating with Ebsco so that NetLibrary records in the catalog can be unblinded. Due to records not working, all Netlibrary is blinded for now. So that all colleges can be briefed as to where actions are going in this area, Corinne requested Jennifer to add Erlene Dudley (WW), Vandy Evermon (CC), and Kathy Renner (WC) to the contacts list for receiving email updates.

**Stephens College** at the moment has empty positions for their cataloger and Arthur coordinator. Nina Stawski is the Interim Director and the contact for Stephens College. All information about the meeting will be sent to her so that Stephens College is kept up to date on Arthur Coordinator activity. They are most welcome to have an interim Coordinator. Right now the contact is Nina.

**Missouri State** has a new director now. Her name is: Waheedah Bilal.

**Columbia College.** Nason Throgmorton will be coordinator until he leaves in August, and an interim coordinator has not been decided.

**Agenda/Minutes of the  
Arthur Coordinators Meeting  
22 May 2014**

**“Changing of the guard”** for the new Arthur Coordinator Committee chair begins July 1, 2014. That will be Vandy Evermon at Columbia College.
