

Arthur Public Service Meeting

October 18, 2007

The Arthur Public Service Committee met October 18, 2007 at William Woods University in Fulton, MO. Those attending were: Nina Stawski, Tena Edwards, Lucia D'Agostino, Sarah Irwin and Lois Marshall.

Tena reported that William Woods will be getting a totally new website in January 2008.

Lucia said Columbia College's site is also being revised.

Sarah told about the State Library's "Library Card" sign up events taking place at the Jefferson Building, the Department of Natural Resources' green building and at the Secretary of State's main level.

Items of discussion about changes since WebPac Pro was implemented include:

- *Most of the changes we submitted will need to be submitted again.
- *Scoping is a problem for Columbia College and Stephens College.
- *Suppressed records are an issue. Automatic suppression is not working since WebPac Pro was implemented.
- *Withdrawn items which should be suppressed are still being shown.
- *The "Request" button is a problem.
- *We still need to get rid of the date on the far right-hand side of the page since the date of publication is already provided in another location.
- *We would like to ask Coordinators if, under "Status, "Lib" Use Only could be changed to "Library" Use Only.
- *We would still like to have alternating color bars (pale gray) for the result list to provide more distinction between records.

Lucia will check on the status of WebBridge. She will also ask Tom if he or MCO will change links.

The next Arthur Public Service Committee meeting will take place on January 10, 2008 at Columbia College in Columbia, MO from 2:00 pm-4:00 pm.

Meeting was adjourned at 3:30 PM.

Respectfully submitted,

Lois I. Marshall
