

Hello:

The meeting coming up on the 17th will be the first one at our new location. The address is:

111 E Broadway Suite 220, Columbia, MO, 65203

Heading West or East from I-70 you can take exit 126 onto MO-163/North Providence and then turn right onto East Broadway. We are about a block and a half up on the right.

Heading North from Highway 63 You can turn directly left onto East Broadway and go 2.4 miles just past Providence or go left onto I-70 and take exit 126 to North Providence as above.

We are in a one story building on the street; landmarks to look for are a Missouri Credit Union Sign and a large white water tower behind the building.

There is a parking lot behind the building; turn right off East Broadway onto either First or Second Street. There is no charge for parking; go into the doorway on the left and follow the hallway to the entrance for MOBIUS. Alternately you can use the street entrance on Broadway which goes directly into our office.

Members will be on their own for lunch we are centrally located to several restaurants that are a short walk or drive away. Below is a list of the ones nearby.
