

MACPAC met in Columbia on Thursday, March 5th for the final meeting before the MOBIUS conference in June. The meeting minutes should be up on the new MOBIUS web site by the time the Executive Committee meets on May 1st. MACPAC continues to work with Maegan, Justin, and Beth finalizing the arrangements for the June conference. The committee is looking forward to the MOBIUS conference and is grateful for everything MCO has done to make this conference a success. The next MACPAC meeting, tentatively scheduled for late June, will review and analyze post-conference evaluations and help the new members transition to the committee.
