

RefWorks 2008 trial offer for MOBIUS Members.

Refworks introduction:

RefWorks -- an online research management, writing and collaboration tool -- is designed to help researchers easily gather, manage, store and share all types of information, as well as generate citations and bibliographies.

RefWorks -- Also integrates with all Open URL providers as well as Course Management Programs, by leveraging on said programs RefWorks becomes the ideal tool to promote collaboration, information dissemination and information literacy.

If you need to manage information for any reason -- whether it be for writing, research or collaboration -- RefWorks is the perfect tool.
